

MEMORANDUM FOR: BCE

Since 11 September when the Journal started carrying a Sensitive Annex, there have been a total of 798 Journal items, 658 of which have been nonsensitive and 140 sensitive. These figures average out to a daily Journal of 15 nonsensitive and 3 sensitive entries. Projecting these figures through a year period, I expect to drown under 3900 nonsensitive and 800 sensitive memos.
